gala

THE PRENTICE SCHOOL

Last year, with over 200 guests in attendance, we raised almost \$500,000, making it our most successful gala to date! This year's Education Elevated Gala will be held at the Marriott Irvine Spectrum on Saturday, April 22, 2023. All funds raised will allow us to continue to prepare and empower our students for a life of self-advocacy, personal growth and the understanding that their differences can be their strengths.

Each year at our Education Elevated Gala, we recognize and honor a Pillar of Prentice—someone who is an outstanding leader in the community and has made a significant impact at Prentice, helping our students see that they can succeed beyond their wildest dreams. This year, we are pleased to announce NAME as our Pillar of Prentice.

The Prentice School was founded to create a space that would give children with dyslexia the education they deserved. In the last thirty-five years, we continue to grow and expand our mission to continue teaching students with language-based learning differences and co-occurring conditions that they are creative, intelligent and capable of becoming our future leaders. We are committed to investing in our students, teachers and staff with evidence-based curriculum, state of the art classroom, a beautiful 6.6 acre campus, and much more. We are looking forward to sharing how we work to continually innovate and provide an award winning program to our students.

You have the power to make a lasting impact in our community by supporting Prentice's Education Elevated Gala through a sponsorship or donation of a live or silent auction item. I have included additional information about the event, or you are welcome to view our event website at www.prentice.org/gala.

On behalf of all of our students, we are incredibly grateful for your consideration and look forward to your support in making this year's Education Elevated Gala one for the books!

Sincerely,

Chiemi Lee
Director of Development
