[Save Changes](#)

1. Upload a picture of your child
2. Change your personal fundraising goal, and personalize your message
3. Click the "Save" button and you are all set!
4. You will receive a confirmation email, make sure to save it for the link to update or edit your page. It also includes your child's personal URL and text code, so you can share it with your family and friends.
5. If you cannot find the confirmation email, please go to our fundraising site [HERE](#), scroll down and click the tab 'STUDENTS', then find your student's thumbnail. Click the button 'View [Name] Page'. Then at the bottom right, click on 'Edit your page'. The system will ask you to verify your identity by sending your email a code, and should let you into the page.
6. If you have any issues, please contact Chiemi Lee at 714.786.3599 or clee@prentice.org
